Besito Mexican, the authentic Mexican food concept from restaurateur John Tunney III, is opening its first two Massachusetts locations in Burlington and in Chestnut Hill later this summer.

Tunney currently has three Besito Mexican locations in New York and Connecticut, but has been looking to open a restaurant in the Boston area. Besito Mexican at The Burlington Mall will open its doors on June 17 followed by The Mall at Chestnut Hill location in September 2014. Both restaurants will boast over 100 seats and have a full bar with over 75 tequilas available for margaritas, sangria, and even tequila flights.
